Your details will be kept only as a point of reference through this where communities are asked to reduce connection and activity due to the Coronavirus prevalence. They may be stored electronically to assist with coordination of support activities, and deleted after. Any paper record will be destroyed following. Coordination will take place through the Pastoral Care network of your local Uniting Church.

To reduce contact, delivery of shopping, mail, meals, will be as a drop off to the front door, This will continue to reduce the risk of possible transmission of the coronavirus. We want to keep you and your households as safe as possible.
