

Leading by learning

SEEKING A HEART OF WISDOM

Planning my continuing education

This coming year I aim to learn:

This relates to the current needs of my placement or to planning for a future placement in the following way(s):

Leading by learning

This will renew me and my sense of call and vocation in the following ways:

My learning method(s) will be:
(eg formal course, seminar, guided reading, etc)

The resources I will draw on include:
(books, websites, people, colleges, etc)

Leading by learning

What will change in my ministry practice as a result of this project:

My achievement or performance will be demonstrated or measured by:

Expected costs:

Leading by learning

SO MY CONTINUING EDUCATION PLAN IS:

	Ministry practice	Theology	Spirituality
Year 1:			
Year 2:			
Year 3:			

Date: _____

Leading by learning

MID YEAR REFLECTION

Date: _____

So far this year I have learned...

About myself:

About my ministry practice:

From my learning plan I would still like to learn:

Leading by learning

What I need to learn and hadn't planned for:

I would like to adjust my learning agreement in the following ways:

I estimate that ___% of my learning goals have been achieved to date

Leading by learning

END OF YEAR REFLECTION

The three words which best describe how I feel about my learnings for this year are:

This learning has enhanced my ministry practice by:

My self-understanding has been enhanced by this year's learning in the following ways:

Leading by learning

My plans for next year:

I estimate that I have achieved ___% of my learning goals this year
