Focus Question: When you hear the word MERCY - what do you think of?

Focus Thought: "Take it easy on our heart" when we should feel the full weight of consequences for actions taken or not taken. When a measure of undeserved grace is held out to us.

Reading: Psalm 25:4 - 7

You might like to use "the Message" version if you have access to one.

Let an image grab your attention or speak to you as you listen to the words of the Psalm.

Conversation Questions:

Which image has drawn your attention as you listened to the Psalm or sat with insights about MERCY already shared? What is it about that image that is speaking to you?

How does what you've shared about the images and insights deepen, or affirm or even shift your understanding of God for you?

What does this mean for you in the living of your story with God?

Pray: For your community and each other as you approach Easter. Share words of a blessing with one another (e.g. May the God who meets us in our days, be the God who met humanity in Christ crucified and risen.
